Sub: Regarding disbursement of Arrears of revised pension to MTNL Employees retired prior to 01-01-2007.

Ref: Your letter No. RTWA/GS/Pension/2014 dated 27-11-2014.

Your attention is invited towards Gazette Notification dated 03-03-2014, amending Rule 37-A of CCS Pension Rule 1972, under which Govt. pension has become payable w.e.f. 01-10-2000 to MTNL employees absorbed with option for pension on combined service rendered by them in DOT as well as in MTNL. As per O.M. issued by DOT vide No. 42-4/2012-Pen(T) dated 28-04-2014, MTNL's liability is to pay to DOT pension contribution at a rate as prescribed in FR-116, which MTNL has already paid through adjustment against the accumulated amount of pension disbursed to pensioners on behalf of DOT, w.e.f. 01-10-2000.

In this connection, it is intimated that as the payment of pension to combined pensioners of MTNL is a liability of DOT, any amount of pension and arrear of pension becoming due on account of revision of pension etc. w.e.f. 01-10-2000, is payable by DOT only. Accordingly, DOT has been requested to make provisions for budgetary allocation towards this liability at their end and make necessary arrangement for disbursement of arrear of pension as requested by you in above referred letter.
